# ABOUT US

---

Frequently voted Aspen's favorite real estate group, Aspen Snowmass Properties is one of the Roaring Fork Valley's most successful companies, with salespeople who are consistently among the area's top performers. From historically-preserved Aspen and Snowmass offices, we've generated more than 2600 transactions and over \$3.7 billion in sales during our 24-year tenure, including some of the valley's highest-end acquisitions.

## WE'RE ALL YOURS.

We're an unusual team here because, well, **WE ACTUALLY ARE A TEAM. WE WORK TOGETHER, NOT IN COMPETITION.** When you hire one of us, you get all of us: broker to broker, front desk to president. More hands, more brains, more service, more care.

**OUR MISSION: EXCEED YOUR HIGHEST EXPECTATIONS** by bringing more thought, creativity, accountability, service and wisdom to the task of buying and selling property.

## LOOK FOR RESULTS, AND YOU'LL FIND US.

Aspen Snowmass Properties has more high-producing brokers than any other office in the valley. Since 2010, we have **INDIVIDUALLY OUT-PERFORMED THE TOP TEN OFFICES IN THE VALLEY** with over \$100 million per agent. Three times the average Joe. Or double our best competitors. Or, wow.

*On the cover: 730 Divide Drive / Snowmass Village*

## LINK TO THE WORLD.

Our recent affiliation with Berkshire Hathaway HomeServices gives our brokers (and our listings) direct access to 45,000 brokers in 1350 firms which comprise one of **THE MOST PRODUCTIVE AND EXTENSIVE GLOBAL NETWORKS ON THE PLANET. OUR COMPANY DATABASE OF 17,000 PEOPLE** is a living network of property owners and potential buyers kept current on the market and on our listings through creative communication.

## WHAT WE DO, NOBODY DOES.

No dog ever ate our homework. Details. Details. Details. We love them, and you'll never have to ask. Berkshire Hathaway HomeServices | Aspen Snowmass Properties has **MORE THOROUGH ASPEN/SNOWMASS/BASALT MARKET RESEARCH** than you'll find anywhere. This valley is a neighborhood-specific marketplace, and we have taken the time to analyze, in depth and detail, the inventory and sales histories, supply-and-demand dynamics, and trends of each. Ask for our annual *Aspen Report* and its monthly updates which remove the guesswork from our advice and inform our decisions about values.

From sophisticated market analyses, to staging and styling photographs, to arranging inspections and surveys, we prepare our sellers so they'll avoid bumps in the road that can derail a sale. And, in the end, we'll negotiate for them like it was for world peace.

## REAL ESTATE ON HIGHER GROUND

This tagline marked our opening nearly three decades ago, and it's been our pathfinder everyday since. **WE'VE NEVER WANTED REAL ESTATE AS USUAL.** Boring. Been there. We were determined to do it different. Not just better, different. Untried roads. Make sure you get what you want, yes-yes, but see that you're comfortable along the way. Possibly even happy. And ridiculously well-informed. **YOU KNOW, REAL ESTATE THE WAY IT SHOULD BE — ONLY HIGHER.** Decent as a tagline, better as daily life.

Sure, but we'll back up the high words with unbeatable track records, more past Realtors of the Year and Board presidents, more old-fashioned hard workers than you'll find under any roof. Each is a seasoned guide to this valley and this real estate market—and, somewhere in the middle of buying or selling with us, you'll notice you forgot to worry and absolutely enjoyed the experience.
